Email Address:	Larry.Bridges@nnsa.doe.gov	Phone No:	202-586-0571	DOE	X

Proposed Change:	NNSA needs two additional Core Capabilities per facility.				
Justification:	<p>NNSA is implementing a Mission Dependency Index that weights the number of capabilities per facility.</p> <p>While not every facility needs five capabilities, NNSA has numerous facilities that support multiple capabilities and need as many as five capabilities to capture all the work done in the facility.</p> <p>Please refer questions to Larry Bridges or Jeff Underwood.</p>
